

I CATALAN LANGUAGE AND LITERATURE YOUNG RESEARCHERS CONGRESS

Book 27th 28th and 29th September for the I Catalan Language and Literature Young Researchers Congress at the Faculty of Language Studies, Translation and Communication of the University of Valencia. **Submit your proposal!**

Thematic lines:

We want to embrace a wide range of topics:

1. Literary Studies: Medieval, Modern and Contemporary Literature; Literature by genres (theatre, poetry, essays, novels, literary magazines, children and young people's literature, comparative literature, etc.)
2. Teaching and New Technologies: Catalan for foreigners, new teaching methods, Language and Literature promotion, ICTs for teaching and Cultural dissemination...
3. Linguistics: Linguistics, Phonetics and Phonology, Morphology, Syntax, Semantics, Pragmatics, Discourse Analysis, Lexicology, Lexicography, Phraseology...
4. Language Through Time and Space: Diachrony, Grammatical History, Historiography, Onomatology, Sociolinguistics, Translation, Popular Culture...

*Presentations will last 20 minutes followed by a Questions and Answers session.

Registration:

In order to participate as a speaker during the Congress you must meet at least one of the following three conditions:

- Hold a Bachelor's Degree which is no more than 10 years old
- Be a PhD student

- Have completed a Postgraduate Degree within the last 5 years

The proposal does not necessarily need to be in Catalan. However, it must deal with Catalan culture, language or literature, either comparatively or in a cross curricular approach with other languages or cultures.

You can send your proposal up until April 30th to ajillc.direccio@gmail.com after downloading and completing this [form](#).

The following aspects will be valued:

- Clear target definition
- Consistency in the content
- Well defined conclusions
- Innovative elements
- Up-to-date Bibliography
- Questions for the discussion

Dates:

Deadline for proposals: 30th April 2017

Congress dates: from 27th to 29th September 2017.

Programme:
